

Common Human Resource Information Standards

Member Temporary Military Unit Assignment Reason

Member Temporary Military Unit Assignment Reason is a classification of temporary assignment as documented on a personnel order for a DoD Military Service member within a unit.

Permitted Values

Deployment
Initial Entry Training less than twenty weeks
Non-Initial Entry Training less than twenty weeks

Structural Business Rules

A DoD Military Service member may have only one Member Temporary Military Unit Assignment Reason, Member Temporary Military Unit Arrival Date, Member Temporary Military Unit Departure Date, and Member Temporary Military Unit Identifier for each Temporary Duty although they may have more than one Member Temporary Military Unit at a time.

A Member Temporary Military Unit Identifier must have only one associated Member Temporary Military Unit Arrival Date and one associated Member Temporary Military Unit Assignment Reason.
